

# Printing Merit Badge Worksheet

## Requirement 1

Using the letterpress printing process:

- Set a paragraph of type by hand from manuscript copy.
- Read and mark proof correctly
- Set type for a display card or an advertising handbill
- Run 100 copies of the job in Requirement Number 3 on a 10 x 15 or a smaller job press.

Demonstrate the correct method of:

- Inking
- Setting gauge pins
- Use of make-ready
- Feeding accuracy
- Washing up press

**-OR-**

## Requirement 2

Using the silk-screen process:

- Make a stencil screen and base
- Print at least fifty copies of a poster, greeting card, T-shirt design, etc.

**-OR-**

## Requirement 3

Using the offset printing process:

- Produce a finished piece of publicity – such as a newspaper, bulleting, poster, etc., the size of which is determined by the offset duplicator, or offset press employed.
- Prepare properly all materials and illustrations needed for the above, to include the preparation of flats for photographing, and its transfer into pre-sensitized plates.
